BSc(Hons); MSc; PhD

**Informed parental consent and child assent
across America and Europe**

Future Investment in Clinical Research

Derval Reidy (Steering Committee)

Chapter 4

Ireland's Clinical Research Infrastructure and Resources

41

4.1	Clinical Research in the Health System - Hospitals and the Community	42
4.1.1	Paediatric Clinical Research	
4.2	Academic Clinical Research	45
4.2.1	Universities - Clinical Research Facilities and Centres	
4.2.2	Translational Research Laboratories	
4.2.3	Clinical Research Networks	
4.3	People involved in Clinical Research	49
4.3.1	Patients and Public	
4.3.2	Clinical Research Staff	
4.3.3	Protected Time for Clinical Research	
4.3.4	Clinical Research Nurses	
4.4	Commercial Clinical Research	52
4.4.1	Pharmaceutical industry	

in order to capture episodic events of interest.

The Irish Research Nurses Network (IRNN) is currently completing a scoping and evaluation exercise for CRN/Ms. This project is funded by the Health Research Board (HRB) and the findings and recommendations from the project will be published by the end of 2019.

RECOMMENDATION 4.19

Clinical Research Nurses/Midwives should be embedded into HSE supported posts in hospitals in an acknowledged career pathway with appropriate salary scales, reporting lines and clear responsibilities.
